UMBC DEPARTMENT OF THEATRE At UMBC we believe that theatre is an ever-changing art form, responding to and creating new ideas that confront our ethical, political, and artistic ideas and practices. Degree programs leading to an Acting BFA; a Theatre BA - Theatre Studies Concentration, or a Theatre BA - Design & Production Concentration provide students with the interdisciplinary skills to become actively engaged with their art and with the world around them. A dedicated faculty focuses on each student's evolution as an artist and as a person, making the study of theatre at UMBC a life-changing experience that stimulates, challenges, and inspires.
