"BENCHMARK" requirements are courses that should be targeted within that academic year. Please note that unless otherwise published most THTR courses are only offered once a year in the semester indicated. "GEP" requirements listed are comprehensive but in a suggested order only. Students should feel free to rearrange their GEP courses as needed, noting that ENGL and MATH are to be completed within the first 30 credits. Courses marked with * are designated to fulfill the minimum 45 credits required in the Upper Division.
